This Lodge is known as
Pine Forest Alliance No 2092
if I am not mistaken

If you do not know the
best way for us to proceed in
order to get them out of our
order please consult the Pres or
the Exec committee, and give
me an answer as soon as
possible.

A failure in this will
be detrimental to several
good Alliance men as well
as women, They are in a
district to them selves although
they draw money from the white
school list they are not allowed to
visit white free schools.

Dear Bro. Carr please answer this letter. I think you can give them the necessary information in such a way as not to injure the cause. They are clearly ineligible & should be given withdrawal cards but I dare say they are good people simple-minded & well meaning. Cyrus K C I think you can possibly handle the matter so as not to make them enemies for we do not much better than I.
