Mr Elias Carr Dear Sir & Bro, we know it is
not your method of answering questions but
our lodge No. 354. desires a direct answer from
you to the following- is Country Doctor who
also has a farm but is it partner in it.
Drugg Store. Eligible to membership in the
farmers Alliance. I would think that $\frac{3}{4}$ of
his interest is in his practice and farm.
and proposes if admitted, to sell to the
alliance their drugs at reduced prices and
also show favors in his practice toward the
members please answer the above and oblige
Yours fraternally Ransom West
