

THE PROGRESSIVE FARMER

The Organ of the State Alliance of North Carolina.

Raleigh, N. C., July 19, 1890.

Mr. Elias Carr,
Pres. N.C.F.S.A.,
Old Sparta, N.C.
Dear Sir & Bro.:

Accept our
thanks, please, for your letter
to the Alliance.

I can't see that there was any
other way to proceed, in the Vance
matter, other than the course
Ramsay has taken. The Economist
& Country Homes are with P.F.

At least C. Homes does not side with
Vance, & by publishing P.F.'s article
on Ed. page, & saying nothing against it,
thereby endorses it. Prog. Farmer
had to be for Vance or the Sub. Treasury
Bill one, & of course, until the Alliance
abandons said bill P.F. is for it.

You should see some of the letters here
on the subject, both pro & con. Frately yours, W. F. Daly.
