Dear Sir Bro.

There has been some trouble in our
Sub Alliance about Eligibility.
hence I write you for information.
Hope you will reply at once.

Was a man who has always been a
Farmer, but who was elected sheriff
of his County and ~~is~~ moved to town
but says he intends to go back to his
farm as soon as his term expires.
he does no other business, but look after
his office &c. has he a write
to join the Farmers Alliance.
