My dear Friend :-

I hope you will do me the favor to send ~~me~~ your address as President of the Alliance to me several days before you deliver it so I can get it in the Chronicle on the morning after its delivery. If you will do this I will send it to you so it can be read from proof slips.

I wish very much I could see you and have a talk with you about the situation. I am looking to you with great faith, & praying that out of this agitation there may come a betterment of the condition of all the people.

With sentiments of esteem, I am,

Sincerely yours,

Josephus Daniels
