Mr. Elias Carr.

Old Sparta, N.C.

My dear Sir. As President of the State Alliance I know you have much influence with Alliancemen, and trust you will use your influence with them in this section. They seem to be very bitter against Senator Vance, & some of them claim that they will carry their points with "bullets" if they can not with ballots. The greatest evil however arises from the growing prejudice against our towns, & the consequent division of interests in all county matters, & also matters of internal Improvement. If you can make your men stop & think, & then act coolly we will owe you a debt of gratitude.

Respectfully - H. E. Fries.
