

Moravian Falls,
Wilkes Co., N. C.
Hon. Elias Carr,
President N. C. F. St. Alli.
Old Sparta, N. C.

Dear Brother:

I send herewith
a question for your official
decision. I desire also to
know your opinion on
my own case. I have been
elected Prof. of Latin in
Wake Forest College, and
shall move there in August.
Will it be necessary for me
to withdraw from the Alliance.
I have been President of
Wilkes Co. Alliance since

its organization, and was
delegate from Wilkes & State
Alliance last year. I hope
to attend State Alliance at
Asheville, whether a delegate
or not. I am deeply attached
to the order, and hope I shall
not be compelled to with-
draw. I send card for reply
to this question. The other
seems to be of sufficient
interest to be answered in
Prog. Farmer.

Yours truly,
G. W. Greene.

A farmer has a small store for the convenience of himself and his neighbors. He desires to join ~~under~~ the Alliance and sell under the supervision of the Alliance under the proviso to Sec. 1, Art. IV of the Constitution. Can he do so? If so, what supervision will be necessary?

Farmers are eligible - Merchants are not - A Sub Alliance can better determine whether a man living in their neighborhood is a farmer or a merchant than I can

Respectfully
Referred to them.
