Dear Uncle Elias:

I collected from D. R. D. Fleming \$441.00 balance on Melber and Watson & Parker's \$1000 note today. He paid me in currency and gold, which I will deposit to the Wagoner State Bank to morrow if W. P. Baughaw does not wish to exchange his Wagoner check for it. This is 25¢ less than you made it. Calculating 1 day int., @ $\frac{8}{365}$ instead of $\frac{8}{360}$ makes the difference. Nothing unusual going on. Yrs truly
W. C. Parker.
