Dear Sir & Bro

(1) How is the unwritten secret work to be communicated from one sub A - to another. Can any member give it to another whom he knows to be in good standing? or shall it be done in open A-?

(2) Can a sub A' adopt a form of burial, {to be used in connection with the National form} and instruct our Co-delegate to state A- to introduce it, without it being adopted by the County Alliance?

Fraternally
