Dear Sir & Bro

I write to say
that was ordered by Great Marxist
Alliance No 136, to write to you
and ask your views concerning
the use of jute Bagging, our
State Business Agent offers it
for sail, is it best for us
to use it, or is it best for
us to use cotten Bagging,
we want to work for the
good of the Alliance and
against the trust if the
leaders say it is for the
good of the Alliance to use
cotten we will use it if not
wpy we will use the heavier
bagging, what we are afraid of
over

is that the gule Bagging
Trust will try to apress no
again and no cotten mills
to come to our assistance. if we
forsake them now, as we have
bin advised by by our out
Side friends."
