believe he will do something for us, The boys are wrought
up to such a high pitch that they will not hear
me as they were wont to do, I am afraid this will
hurt us, and our chances in other things, Please
address me a letter and give me your opinion in
the matter write fully, so that I can show your
letter to my friends, What ever you say will have
a good effect either way, It would hurt my chances
to be elected were I nominated, but I care not for
that If it is right, I am in for doing whatever is
right, "If the heavens fall," Let me have your answer
by next Friday. My friends will hear our Head,

I am yours truly and fratly
