Elias Carr Pres N. B. Farmers State Alliance

Dear Sir and Brother

In electing officers for our
alliance (Cokerbury No 134) they wanted to elect
the president Business Agent, putting two officers
on one man, I told them I thought it would
be wrong and that they had as much right
to elect him president and Secretary or any
other officer as to elect him that, so they
requested me to find out of you all about
it. Please let us know if the president
can hold two officers, or can he hold his
and the Business Agent at the same time,

Yours Fraternaly
