Pres. Polk:

Dear Sir:

I want to ask you one question in regard to being clear of Books. If a ~~man~~ member subscribed \$1.00 to the State Business agency fund; and agreed to pay the same until Jan 1st-90. Through negligence it was not paid and run after and it run over the time. Then it was agreed by all the members to pay <sup>if</sup> they could receive the new word. Now is such a member clear of Books

I would like for you to  
say what are the Books  
whether they mean any thing  
more than the quarterly  
dues. What are the Books?

Please answer at once  
We know that a member  
must be clear of Books  
before he can receive the  
word. What are the Books?

Answer by return mail

Yours Very Respectfully
