Old Sparta N.C.

Dear Sir: & Bro.

As Pres. of Yadkin Co F.A.S. I have been asked if we could take into our order, good & influential Citizens who own & work (or have worked) good farms, from which they receive their principal income but at the same time they do a rural merchantile business, but their interest identical the same as ours. Now shall I instruct the Sub. Alliances in my jurisdiction to receive such men or must they be deprived of the privilege of helping us to forward this great movement. I feel sure they would very greatly help us if can admit them.

Hoping to hear from ^{you} or your successor in office very soon I am

Fraternally
A. H. May Pres. Yadkin
