Hastings Mo. Aug 20th 90  
 Elias Carr President of  
 the Stone Alliance.  
 Dear Sir & Brother  
 I write you for information  
 concerning our Co Alliance.  
 at our July Meeting there  
 was a resolution to put out  
 an Alliance ticket in  
 Asher Co, and it was an  
 motion referred to the  
 Sub Alliance in the  
 county, and at a call meeting  
 21 Sub Alliances reported having  
 held Elections, and a major-  
 -ity was against a ticket.  
 and I thought that should  
 have settled the matter  
 though it did not.

and the co President  
called + other meeting  
which came off yesterday  
and only 17 out of 27 sub  
Alliance was represented,  
+ there was a strong feeling  
on the part of those  
present to push the  
question though after a  
long + somewhat heated  
debate the matter was  
postponed for the 15<sup>th</sup>  
of Sept for final  
action. I would like  
to know your views  
on the matter, as to the  
propriety of also co  
pressing an Alliance letter  
in the piece, there is about  
28 hundred votes + the Alliance  
has about 1000 votes  
and of that number
