Bro. Carr -

I don't see what
you can do for Bro Polk
except to issue a notice
that all alliances that
have not paid - to send
the money forward at
once - The situation
in this district is like
Alabama - Every candidate
fights me and no one
else - The Charleston News
& Courier (S.C.) has gone for
me also the National
Democrat (Washington D.C.)
and several other papers
outside this district -
Do you see the thing is in
great doubt - If you know
one or two in Columbus

and Browns wish to write
to it would help much
I am certain the game
is to get out all the
Candidates possible
and then concentrate
Against me - I have not
heard from Graham's Dis
trict for some time -
A letter from Dr Parker
says he will be here
in a few days to
consult on the
situation. ^{of Charlotte} ~~Harmon~~ Jones
came out last Sunday
he evidently was brought
out to try and divide
the County. What he
will amount to I cant
get tell - As far as I
can see his announcement
has created an enthusiasm
