Bro Cas

have been unwell since  
Asheville - I write to ask  
you if you think of trying  
to arbitrate the difficulty  
between Vance and the Al-  
-liances - The last issue of  
The P. F. has raised in  
several sections of the State  
and it looks like  
Alliance men would  
ed by Alliance men - in  
County and some others. also  
The 3-7-4 Congressional district  
There is a feeling to down  
any body who is for Vance.  
that is - There appears to be  
to do it - so the way it looks  
of the war is waged - Vance  
will be downed and the

alliance will be hurt - the  
Alliance will be can recover  
but it would destroy Vance  
W. will write Vance  
of day and asked him  
if he would arbitrate &  
will you act in case  
he consents - Of course  
McCune and Polk must  
be consulted - I hear the  
next P & will do  
Ashe - write and  
know your views on
