Dear Elias

I would be much pleased
to have you make me and our
town a visit of two or three days
next week, during the opening
sales of tobacco at our new
barned Warehouse, which is to
commence on Tuesday the 10th,
and making my home at
the hotel, and will endeavor
to make you comfortable, and
give you the best fare our
market affords. Regret not
being able to see you during
my vacation in Edgemont in
Aug. Hope all well with you
Yours most truly
J. J. Catherine
