There is quite a number
that are anxious and if
there is one organization in
the state let us have it
here in our county
give the necessary instructions
and appoint some one to
organize them into leagues
and they will be properly
instructed in my township
I am not certain that you
are the proper officer to
ask for this information
but suppose you are

P.S. Respectfully yours, W.E.

I am J. Luther
captain of
Stewart Creek Alliance
I believe it is no 318
