State Democratic Executive Committee,

NO. 228 FAYETTEVILLE STREET,

Raleigh, N. C., Sept. 11, 1890.

Elias Carr, Esq.,
Old Sparta, N. C.

My dear Sir:

I wrote you some days ago, requesting that you place at the disposal of this Committee, as much of your time as possible, in the approaching Campaign. I think some speeches from you would be of vast benefit to the Democratic Party, and I most earnestly request that you will give us as much time as you can. I know that you are patriotic enough to do this if it is in your power, and I trust that you will.

Please let me hear from you, as soon as possible.

Very truly yours,

Ed. Chambers Smith

Chairman.
