Hon Elias Carr

Dear Bro We have got cross
ways at our Sub Alliance and I want
information they were two men halled for
and they were rejected ^{+ by three ballots} they had been recommended
by the investigating committee and are men
in good standing. Some of the members found out
that it was a plot made up by some of the
Ladies ^{who} cast their ballots without giving any
reason. At the next meeting a motion was
made that we rehallot for these men which motion
was carried and they were halled for and received
and at the next meeting some of the members
tricked about it and a motion was made
to ~~reconsider~~ reconsider the matter and
a motion ^{than} was made to appoint a committee
of three that they might find out if possible
the reason why they were first rejected and report
at our next meeting here comes our troubles
half voted for the committee and half against and
it had to decide on the decision
this committee
they were g

cast the ballots whom some of the
thought was illegal would forfeit
our charter now did we pursue the right
course in this or not hope to hear from
you soon. Fraternally
