

Sept. 17th 90 Frights Bridge,
Greene Co., N. C.

Mr. Elias Carr,

Dear Sir & Bro., Will you please
write me whether or not the resolution
that passed the F. A. relative to the
lagging question gives sub-alliances
the privilege of using jute if they
wish to. There seems to be some diversity
of opinion in regard to the matter,
and we want that of our President.

Please write in time for me to
have your answer by the Co. Alli-
ance meeting. Fraternally,

C. A. Gardner, President,
Greene Co. F. A.
