Mr Elias Carr, Sec'y. T. B. Co
"Ought Vance to be Re-Elected" I hope
you will pardon me for asking you one
question, as we think it of importance. I have
always been and old time Democrat "of the Blue
Stocking Sort" and am one yet "of the Alliance
kind" the Vance Question, is very high in the
Political Arena. in this Section, from his present
stand point he is not the man we are looking
for. "This is unpleasant for us to say" While he
is beyond doubt, naturally endowed with
National views, and is second to none
on the Tariff question. yet if we are, and
our demands are right - then his position
in regard to them is wrong.

And as
our Alliance Sect. have an abiding faith
in you as its Leader, we hope you will fully
answer, & give your views on the subject
for the benefit of our Alliance "Matoaka
No 2108." hoping you will favor us with
an answer I close

Yours for AT

R. J. Robinson

Sec'y Matoaka Allian
