Raleigh, N. C., Sept 30th 1890.

Col. Elias Carr,
Old Sparta
N.C.

My dear sir:

I am to have
a very severe delay & consequent
difficulty in getting Spokes
on ^{the 7th of} Thursday night Oct 16th 90
at which you were to preside
and in view of the uncertainty
your coming I thought
perhaps it best not to
have a discussion on that sub-
ject this time and cancel
that meeting. However then our
other meetings show what desirable
purpose one on Tuesday night
to consider Stock raising
on Wednesday Oct 17th
Experimental Farming. I
in them. Resp. W. J. Peele

Yours to hand, owing to some de-
lay & consequent difficulty in getting
Speaker for the topic Thursday night
Oct 16 at which you were to preside
& in view of the uncertainty of your
coming I have ~~considered~~ thought
it best not to have a discussion
on that subject this year & call
that meeting. However there are
meetings somewhat similar in pro-
gram on Tuesday night Oct 14
under Stock Raising & another
Oct 15 - to consider Experimenting
Farming. I wish you to participate
in them

Yours
H. J. Peck
