

Swannanoa, N.C.

Sept. 30, 1890

Hon. C. S. Gar,

Dear Sir, and

Bro, We are having
some trouble in our
Alliance, our here,
to whether Hon. H. G.
is entitled to membership
in our order or not.
He is ~~the~~ the Republic
Candidate for Cong
this district, He does not
ask the Alliance to nominate
him, but he is asking
the Alliance to endorse as
their candidate.

Bro. Bar, Mr. Ewert, is
a Lawyer, and holds His
License, to plead law.

I think that the Sub-
Alliance that admitted
Him in their lodge done
a great wrong.

Mr. Ewert, says that
if He is defeated that
he is going to practice
law, and be a member
in order too.

Bro. Bar, I am an
insurance man to the bottom
if some of our Alliance
are going to run over the
Constitution, and take
orders, and every body
else that the Constitution
says shall not be members
I am going to come out.

Bro. Bar, will you please

explain the whole matter
to me at once, as I will
have it to depend.

also if H. G. Ewert, can
be remembered of the Alliance
why cant we take all
the Legal profession in
so let me hear from
you soon your Bro
J. R. Randolph
