Sir I want information If I am in arrears for dues twelve months or more and desire to become a member in good standing can I become one by offering an application and paying the initiation fee as a new member or will I have to pay my dues for the whole time I am in the arrears

Our Constitution is not plain upon those question to my understanding Please let me hear from you by return mail I ask this information because some members of Prosperity Alliance 1089 have offered an application to Woodland Alliance
