Dear Sir & Brother:-

I was appointed by the Guilford College Sub-  
Alliance, to day, to write you in regard to the eligibility of a cer-  
tain applicant to our order. The party is a farmer, works on his farm  
and makes his living it that way. The only objection alledged, ~~is~~  
is, he owns stock in a country store to the amount of \$100. or \$150.

He consumes no controle or management of the store, it being run by  
one of the other stock holders. Our Alliance wishes to know if he  
is eligible.

Yours truly,

*W. C. Boren*
