

EXECUTIVE COMMITTEE,

NORTH CAROLINA FARMERS' STATE ALLIANCE,

Charlotte, N. C., June 18th 1891

Bro Carr-

I doubt if I can attend the meeting at Goldsboro - You had better write to Bro Barnes to be there and be prepared to pay such of the speakers expenses as you may elect. We have never had a national lecture or a cent from the national lecture fund - and it would be well for you to jog Polks memory on this. I write to Tillman (of Ex Com'ee) as soon as he published his notice to furnish lectures and he did not notice my letter -

To save expense I will not call the Executive to meet until about Aug 1st unless you have some reason to call it sooner. The [redacted] that have been fighting us - are down - it looks like some boys [redacted] scared - Yours Truly
S.

P.S.

Can you tell me whether [redacted] state lecturer is dead or not - if dead what is his post office
