Mr. Elias Carr:

Dear Sir:

Learning through
a friend of mine that you are de-
termined of securing a teacher for
the coming session I write to
say that I am very anxious to
teach in a private family next
session, and would be glad to cor-
respond with you as regards the
matter. I was educated in Balto.
Md. at the Public Schools, and
teach the usual English branches,
Mathematics, French, and Music.
I have been teaching for three years,
first a Public School and for the
past two years I have taught for
Mrs. Dr. R. U. Burges, and teach for

her again, but she will not employ
a teacher. Should you do me
the kindness to write before the
26th inst. direct your letter to
Mrs. Dr. Burges but
after that direct your letter to
Alden Post-Office

King Geo. Co. Va.

By way of introduction will
say I have a daughter of Judge
Chas. H. Ashton of King Geo. Co. Va.
If you wish other references ask
family let me know & I will send
them. For references ask my
capacities as teacher I refer you
to Mrs. Burges, and to

Mr. Walter Coakley

Supt. of the Public Schools of King Geo.
Co. Va. I have my Public School
Diploma from Balt. You will
greatly oblige me by an early reply.

Very Respectfully yrs.

Alice B. Ashton.
