

Bath N.S. June 29th 1861
Dear Bro President:

We have a member of Bath Sub Alliance No 1176 who is a Physician, He resides in an Incorporated Town, though part of his practice is in the County, & motion came up in our Alliance that he was not entitled to be a member owing to his living in a town others thought that as most of his practice was in the County that he was entitled to membership - please let us know by return mail if he is eligible to membership or not.

And most oblige
Edw. Carr } Yours fraternally
