Don Elias leave

My Dear Sir:

Mr Isaac Linn

Sory, he is confident that Col Williams
paid the \$200 for R. S. Williams - I know
nothing about the matter & suggest that
among the papers of Col. W. in the
hands of Mr Isaac Linn a receipt or
receipts may be found as to the whole
amount. Perhaps one as to the amt pd
by D. or C. Williams. Will you be good
enough to ask Mr M. to look over receipts in
his hands.

There are two questions as to the division
of this Tax fund - 1st is the Tax an inci-
dent of the land? 2nd if not is it divi-
sion per stripes or per Capita among the 10
grand children? I am not disposed to be
Contributions about it anyway - Nor is Fanning.
Is the fund in Lett's hands or Edgemont or

William? What amount? The children are
all of age and can receipt direct without
intervention of Executor as it appears to me
or Attorney. The only thing the estate wants to
know is whether he is paying to the right
parties.

Crops are improving - Cotton & Corn not
so good as Tobacco. Hope you and
yours are well.

Very truly yours

Wm. F. Green
