Dear Mrs Carr.

Just returned from Morehead City. Foster Bros say they know nothing about any arrangements for hotel rates made at Asheville last summer for this Annual meeting - They will not give us less than 2<sup>00</sup> per day. The Dental Association meets at Morehead at same time and think that is reason - Foster Bros said they were very sorry but as they had made a contract with Dental Association for 2<sup>00</sup> per day could not give us any less rates. Said could take of us at those rates. An -

Other small hotel Newbern they  
could accommodate about 40  
and at 1<sup>50</sup> per day 8<sup>00</sup> per  
week - what shall I do - Have  
just written Capt Alexander  
and <sup>Mr</sup> Newbone - I went down  
to make arrangements for  
rooms &c at suggestion of  
Capt Alexander, but would  
not make any arrangements  
as I understood that rates  
were offered to the State Alli-  
ance last December not to ex-  
ceed 1<sup>50</sup> per day - Requested  
Capt Alexander to visit me  
at once - Let me hear from you at next
