Bro Elias Carr

Sir I write for instructions
In our last county meeting
we had up a defunct Alliance
and I was over ruled,

The President decided that
the initiation fees was suffi-
cient without obligation
I contended that it was
unconstitutional. Now we
want your advise

We have now just such
a case in our sub-alliance
and it is causing trouble
Some contends for the low and
some contends to bend it I
contend for the law. I now ask
for information from you how to
receive those dead members,

please let me hear

at once

Yours fraternally
M. P. Warley
