Dear Brother,

I have been recently asked by several of our Sub-Alliances to deliver addresses on the occasion of their Alliance Picnics which will be sometime in next month. And to fully meet the demands of such an occasion, I will transmit

a great deal of general information. Knowing that you are at the head of our State order, and believing that you are willing and ready to help a young man in this work?

Therefore ask you for any and such information as would benefit our order.

Any thing on the Sub Treas - . True
and undoubted courage of Wilson. Any
Statistics of any kind relating to our
order or the Demands of our order
~~to~~ would greatly help me.

If you have any Speeches that - has
been delivered by prominent or
alliance men that - you could give
me or any thing of the kind.

Probably you know what - I need
better than I can tell,

Any information you can give
me will be highly appreciated

The Alliance in this immediate
section is not doing what - it - should
do but I think with something to
assist them. would greatly help
of the lethargy that - is
in former.
