Bro. Carr,

I am the delegate from
Hickes County to the meeting at
Mouth of the river and
was present on the
1st. Should it
be approved.

I am also
lecturer for this the 8th
and have travelled over a
territory in my work this
summer and am happy to
say that the Alliance is "on top"

Why in my own county - Hickes -
the paid up membership doubled
during the last quarter.

Hope to
meet you at Morehead.

Fatimally
