Dear Sir: I read, with a great deal of interest, your speech to the farmers at Morehead City - You are right in them but how do you propose to put these reform operations? Through the old parties? I don't believe it can be done. You don't say as the Southern alliance is out for the

We are waiting with a great deal of here in Iowa to have you declare unequivocally - One ^{old party} press here is the South is as solid for our

How is it? I can't believe anything I see in
the press. I want to know direct. I am an
old soldier (was all through your state in 65)
and an old time republican. but would
only too glad to join hands with the we
producers of the south for our mutual

We can never get justice in the old
because we cannot unite on
either. What can we depend

Very Truly
