Dear Leob:

At the last meeting of the
of the "Rocky Mt Fair" they unanimously
invite Leob Poek to make us a speech on
of our fair week which is Nov 15th, and our
(Arrington) was instructed to extend the
at once. We are really anxious to hear him
in addition to his drawing us a crowd, we want
discuss the issues now before our people, and
request you to write and insist upon him ac-
cceptation. Our people were very much disappointed
him on Aug the 8th, and we feel like he is
back, I feel assured a letter from you will
come. Will you write him by return mail?
for him to get your letter before he replies to

Yours & best wishes, I am
