My Dear Elias

Enclosed you will find
draft # 106741 of the Laclede Nat'l Bank of
this city for thirty (30) dollars on the Nat'l Bank
of Commerce New York. This is payment of the
twenty-five (25) dollars which you kindly loaned
me several years ago, and part of the interest.
Please let me know the balance of interest and
I will try to pay all of it between now and January.
I regret exceedingly of being unable to pay it be-
cause my salary is small and my expen-
ses (the mean time) I have kept my life
insurance in case of death you would have been
aid. With many thanks I am

Yrs Truly
John S. Hines
