Dear Sir;

Your letter was received. ~~but~~ you will find the pedigree enclosed. My figures are \$500. She has nothing that I could call a blemish, and is not a "roover", neither does she breed back to one on either side that I know of. If you would like to buy her I would like very much if you would see her first. I will send her to Charlotte any time that will suit you to come to see her. If you do not wish to buy please return pedigree.

Yours truly W. S. Davidson
