Freeport, Ill., Nov 7th 1891.

Dear Sir:

As I anticipated when I saw you at the Palmer House in Chicago, my daughter Eleanor, desires to dispose of her undivided $\frac{1}{2}$ interest in the Swain plantation, now that she is to be married. To apply to court to have the farm divided, or sold, would entail expense and delay, and it is believed that it would be better for her, and for her sister Susan, for her to dispose of her interest to Susan. Will you please send me a description of land by meter and bounds to be used in a deed conveying the interest of Eleanor to her sister Susan, in the event the proposed arrangement is made.

Truly Yours
Smith D. Atkins

I presume the taxes are all paid
