Dear James

If you have not already mailed the
letter to Col. Cameron, please do so by
special messenger at my expense.

I saw Benjamin Cameron yesterday
and was anxious for the papers
to go forward to Hillsboro at once
as Mr. C. will go on to Richmond
soon.

Please send this note with the
other letter as a request that
the papers be sent on by registered
letter and that I be also written that
such has been done.

I am very truly yours
Wm. H. Battle

that Col Cass and Judge Howard are
better

Very truly - with thanks
Thos. H. Battle

Dear Sir,

I am glad to hear in favor of you. Not hear from you I presume that Col Carr continues to improve. The Southerner also states this. You have no idea what a relief your card was. I suppose you continue to see him and if he is able I wish you would call at the Old Sparta Post office and get a registered letter I sent the Colonel a fortnight ago and get him to sign them all and then you forward them all in enclosed envelope registered. I will appreciate it very much.

Tell the Colonel I am very thankful
for his improvement and dislike to
trouble him with business so soon
but it is important for me to
catch Beureban Cameron in
Hillsboro next week. He has
been doing a
and travelling
that I have just learned that
he will be in Hillsboro next week
and will probably go on to
Mexico shortly. So I want
to catch him this time.

I will pay you for registration
the first time I see you and
will be under great obligations
to you.

Very truly -

Thos. H. Battle
