1892

My dear Mr. Garrison,  
Gentlemen. I will have to stop  
taking Butter from You for  
a while. I am not dissatisfied  
with the butter & will want to  
take from You again. A  
party owes me some money  
say he is not able to pay it. but  
will furnish me with butter  
until the a/c is paid. This  
is the only way I can get the  
worth of the a/c.

Yours truly  
A. P. Hyman
