Old Sparta N.C.,

My dear Sir & Bro-

It is

my honest conviction that unless the Abolitionists in North Carolina put forward some good man for the gubernatorial nomination we will be defeated this year in State politics, and I do not know of a more acceptable person to receive the nomination ~~than~~ than I yourself. I believe that

Halt would be defeated
if nominated and I
think you can save the
State. The friends of
Gov. Halt are by no
means idle, and if he
is nominated can we
stand him, with his
record? As for as making
the cause if nominated
you could easily get some
one to take the stump
for you, Every Alliance
Lecturer would ~~the~~ the cause
for you, and the reform
papers would support you, besides
the Democratic papers. I
certainly will feel disappointed
if you do not allow me to
nominate you in my paper.
Consider this and answer me as early
as possible Truly & fraternally J. D. Lee
