Dear Sir & Mr.:

I have yours of the 8th inst. It came in while I was away from the office or I should have replied sooner. The two resolutions under the head "Additional Resolutions" on the inclosed slips were not adopted as a part of the platform. I was a member of the Committee that adopted them - stayed with them all night, sat at the secretary's desk and copied everything that was adopted just as it passed, put it in my printer's hands at 8 o'clock next morning and it was in print even before the conference adopted it with the crossing of

an "i" or the dotting of a "t." They are
not a part of the platform. I hear
good word from old North Carolina.
How is it? What is the outlook? With
kind regards I am

Yours fraternally
