I am truly surprised at the
article which appeared in the
last issue of the Prog. Register.
Since you are its editor and
owner I would be justified
in saying, in concluding that
was inserted with your knowl-
edge and consent, but when I
reflect that in a recent letter
to me you practically acknowl-
edged that the Sheriff Floyd had
been ignored in the Pl. term platform
I am loath to believe that you
knew anything of the article before
its publication, I am in
consequence accused not only
of inconsistency, but perjure
me when I say that it costs
much of an effort to read
