

Wilmington, N. C., May 19, 1892.

Mr. Elias Carr:

My Dear Sir:-

Accept my hearty congratulations. Your nomination kills the Third Party in N. C., and you will be triumphantly elected. You will have the earnest & cordial support of the Star.

I have never thought Gov. Hoek would be nominated; and as soon as I saw the first ballot I predicted that you would be nominated.

Very Sincerely,

Wm. H. Bernard.
