

Michael, N.C. May 20th 1892.

Elias Carr, Esq.

Old Sparta, N.C.

Dear Sir & Bro.

After congratulating you for having received the nomination for Gov. of our grand old State (N.C.) I trust you will excuse me for asking you a question; & that you will honor me by answering me in a plain, candid & brotherly manner by return mail to Michael, N.C. But before stating my question, I think it best just to you & myself for me to say, that whatever influence I had, I used heartily & freely in trying to have you nominated for Gov. & I rejoiced at the success, & final result.

But soon after you received the nomination, a rumor was put in circulation, that you had gone

back on the Alliance in some
of our demands; & that you do
not stand on the St. Louis plat-
form.

Now my Mrs. it is but natural
that I should feel concerned about
this, in as much as I represented
Davidson Co. Alliance in the
meeting called by Mrs. Butler,
& used my influence for you
in that meeting, & also with the
delegates to the Democratic
meeting. I hope the rumor is
entirely false: & if you can dis-
cussure me that it is, it will be
my pleasure to do all I can for
you in the approaching contest.

With the kindest feelings, & the
highest regards for you, I beg
to subscribe myself -

Your obedient servant.
Geo. E. Hunt.
