Col Elias Carr,

Warboro, N. C.

Dear Sir:--

It gives me great satisfaction to read the outcome of the late convention in the old North state. I am gratified that Edgecomb is realizing a long cherished wish, and especially pleased that the choice of the democratic convention has fallen on you for Governor. The wisdom of the choice is very apparent to me and as a matter of personal satisfaction no other name would have gone further with me.

I congratulate you and the party, and am sincerely of the opinion that an old fashioned majority will be the result of your nomination.

Your friend truly,

A. T. Britton
