

Worcester, Oct. 1872

Mr. Elias Loring.

My Dear Sir.

Permit me

to congratulate you on your nomination  
and hope and believe you will be  
elected by twenty five thousand  
Majority, the same I have estimated  
them in Worcester County but I  
have heard no objection to the  
ticket and do not think  
there will be. All well and  
Dear love,

Yours truly,  
S. B. Parker,
