

Asheville May 23rd
Hon. Elias Cox:

Dear Sir & Son:

I congratulate
you, and the State of North Carolina
upon the result of the Convention.
I think we have a ticket and
a platform that will sweep the
State. We need all the help in
the canvass that we can get.
I would suggest, in order to
secure the valuable services of
Mr. Landis, that you give him
the appointment of Commissioner
of Labor Statistics. I think him
amply competent to fill the position.
He is quite popular throughout
the State. Resp &c
